

JOB DESCRIPTION FOR THE RIDGE AT MANITOU GOLF CLUB

Department: Golf Course Maintenance

Job Title: Greenskeeper

Report to: Superintendent and Assistant Superintendent

POSITION SUMMARY

The Greenskeepers make up the bulk of the golf course maintenance team. They are at various levels of development in competency of maintenance tasks. They have the ability and the desire to learn new tasks. They have the ability to work within a flexible, dynamic assignment schedule. They are open to adopting the “culture” of the maintenance department and to adhering to the training protocols set out by the Superintendent.

RESPONSIBILITIES

- Develop and maintain proficiency in all areas of golf course maintenance, including cutting, bunker maintenance, irrigation, drainage, spraying and fertilizing and general tasks such as divot replacement and line trimming.
- Develop proficiency in operation of golf course maintenance equipment, including cutting units, carts, utility vehicles, tractors, and tools.
- Carry out all maintenance and cultural practices as assigned.
- Fill out all product application, repair forms if necessary.
- Finish assigned daily tasks.
- Maintain cleanliness of all maintenance equipment, shop, shop area, uniform and golf course.
- Adhere to the codes of conduct and policies outlined in the employee manual.
- Adopt the “culture” of the department in behavior and appearance.

SKILLS AND REQUIREMENTS

- Valid Driver’s license.
- Experience in golf course/landscape maintenance an asset.
- Good social skills.
- Capable of extended periods of physical labour and walking long distances.
- Able to work in all types of weather – warm, cold, rain or shine.
- Available to work early mornings and weekend shifts as scheduled.
- Familiarity with the rules and etiquette of golf.
- To help provide the best possible playing conditions possible in conjunction with the rest of the golf course maintenance team.

It is important that all members of the maintenance team are happy with their place here. It is important that they understand their role, and are happy with it. The Ridge at Manitou must fit well into their plans.
